

HEART HEROES, WE LOVE YOU!!

Thank you

Thanks for believing in helping girls stay in school. Your gift will impact 148 girls, providing them with a years supply of sanitary items so they will not have to miss school just because they are girls. Yay, hip, hip, hooray! Together we are making the world a better place for girls and women in Kenya. Not to mention you made Vickie's Birthday very special. Love from our hearts to yours!
