

HAPPY VALENTINE'S DAY!

Greetings!

Thank you again for coming and/or supporting the Family Bowling event! Together we raised over \$1,000! All of this money is going directly to the HEART projects in Kenya. Thank you for helping us to give a 'hand-up' to these families. The mommas are trying to make a better life for their children. Click on the slideshow to see some of the WEEP (Women Equality Empowerment Project) families.
