Greetings!

I arrived home from Kenya on Dec. 20th, this past Wednesday, after 9 weeks of working with my staff. I also had the experience of seeing HEART projects through the eyes of the last four HEART Teams: the Guntons, Russells, Van Sistines and Bayside team led by John and Brenda Weston and Mary Lewis. The last team members left the morning of Dec. 19th and I left that evening. All were amazing people that shared in our HEART work with feet on the ground!

I am now in my US condo and looking forward to celebrating these special days with my daughter Shannon, my two grandchildren Nichole and Buddy and my four great-grands Kenndall (13) Mason (12) Addison (7) and Kennedy (5). You will notice two of them are named after Kenn, my husband, this will be our 13th year of celebrating Christmas with Kenn watching over us from

See the photo of my Welcome Home Greetings at the airport! Buddy, Addison and Kennedy waiting at the bottom of the escalator to surprise me!

Thank you dear friends for allowing me to share a glimpse of my life with you. I awoke at 2:30 AM (jet lag) thinking about you and wanted to send this short greeting to say you are on my mind and in my heart.

May your Christmas be bright and cheery!

Much love,

Dickie Winkler
