HEART on Safari 2018 Auburn, California

The 18th annual HEART on Safari dinner was held on Saturday, March 3 at the Ridge Golf Club and Event Center in Auburn, CA. We had twenty-four out of town guests fly in from seven states to celebrate and join in the fundraiser! Our special guest and key note speaker was the Executive Director of the Segal Family Foundation Andy Bryant, pictured right with HEART Board Chairman Dr. Russ Tweet and Vickie Winkler, Founder/President. Our Dinner Chairwomen Stephanie Gunton and Pam Tweet led a team of volunteers to plan the dinner months in advance. We are so grateful to all who attended, purchased raffle tickets, donated and love HEART!

Thank you to Michael Kirby from the Auburn Journal for capturing photos from the night. You can view more pictures courtesy of John Gunton on the our Facebook site in the [HEART on Safari 2018](#) album.

HEART Under the Stars Pasadena, California

The Pasadena "Under the Stars" Gala was a fun filled evening of friendship, entertainment, story telling and celebrating. The African dancers and drummers were amazing and all enjoyed their performance. We enjoyed hearing personal stories of the beautiful work HEART is doing in Kenya. The Pasadena Gala was a wonderful success and could not have been accomplished without our Hosts Paul and Lori Powell and Co-Chairs John and Roxanne Basso. They are amazing supporters and friends to HEART!

We are so grateful to all that donated of their time, talents and treasures. Each of you made a difference in the lives of the mothers and children that we serve in Kenya.
