Empowering the People of Africa to Survive and *to Thrive Beyond* the HIV/AIDS Pandemic

***Together we raised \$71,277
toward the End of Year Campaign!***

Thank you so much for supporting the HEART End of Year campaign. Every dollar makes a significant impact to lives changed in Kenya. This is in addition to our regular monthly donors and donations to specific programs. Your prayers, friendship and financial supported are truly appreciated. May you be blessed in 2019!
