Empowering the People of Africa to Survive and *to Thrive Beyond* the HIV/AIDS Pandemic

20 Years of Serving in Kenya!!!

Greetings!

Providing educational opportunities, sanitary towels and malaria prevention nets are just some of the many ways our donors have made a difference for the past 20 years in Kenya. The challenges of 2020 have not stopped us from fulfilling our mission and we are looking to grow our impact in Kenya in 2021. Because of HEART's Christ-centered purpose, more children are attending school and attending higher education. More mothers are receiving life changing medical, spiritual and income generating opportunities and more of our NextGen students are growing in their technical skills and making careers for themselves. *For all these things and so much more, we are*

extremely thankful to our loving God who makes it all possible.

Please help us by attending the virtual fundraiser next **Monday night 9/21**. The event will be streaming on Facebook live from **6:30-8:00 p.m. Pacific Time**.

We also have an ONLINE silent auction and hope that you will browse the donations from generous sponsors to find something you might be interested in! All proceeds go directly to help HEART and all of its programs!

The silent auction ends Sunday, September 20th at 5 p.m.

Log in and start shopping now - the online auction will be open for one week! Most items will be for a local pick up (Auburn or Roseville), but some items are able to be shipped for a small fee depending on their size and weight.

We could not do any of this without the help of HEART Board Member Lauri Harris and her committee of volunteers including two former team members, Cindi Taylor and Deanne Walker. Asante sana sana sana! Thank you very much.
