

Proverbs 22:6 - Train up a child in the way he should go: and when he is old, he will not depart from it.

Greetings!

Father's Day is fast approaching and we want to share a "gift opportunity" with you for those special men in your life. HEART supports 265 students with High School or College/University school fees and this year Kenya added another semester in 2021 to help *catch up* for the Covid shutdown of schools last year. The extra semester is an additional fee. We need \$26,000 to keep our WEEP Mothers' children in school.

We have found that you must empower the moms to learn a skill to earn the funds needed to support their own children with the basics for living. However, we also found that to break the cycle of poverty in that home, it takes educating the next generation. Mom can get them through grade school, but needs help to get them through high school and then enter a technical school or college/university. Public high schools in Kenya are boarding schools and none are free. As I traveled through Kenya on my last trip (Feb 19 – May 10)

the continual request I heard from our moms was, "*please help me keep my kids in school*". Last year during Covid the need was "food". When people in Kenya can't work, they can't eat. Many of you helped us with "Food Security" projects. This year the children are eagerly jumping back into classroom education with a hunger to be able to stay in school. Unlike U.S. students, they do not have computers, so they did not have remote learning and are quite behind. These students view education as a privilege in Kenya. The fear of being sent home for lack of school fees is a fear most Kenyan children have lived with.

HOW YOU CAN HELP:

- 1) You can choose a WEEP student to sponsor in the name of the special father/man in your life.

These are just some of the students needing scholarship!

Keeping a child in high school, costs \$600 annually or \$50/month.

College and University fees vary depending on major.

Click to see the [Scholarship Catalog of Students](#).

- 2) You can give a one time [donation](#) in honor of the dad/man of your choice.

Sincerely,
Vickie Winkler

Veronica Warima

I was born in 1999	My mom is Hannah Njagi
I have 4 siblings	HEART Centre: Ngong
My annual fees is \$720	My dream job is Building Technologist

Vivian Muleshe

I was born in 1994	My mom is Everlyne Shiangala
I have 4 siblings	HEART Centre: Kibera
My fees for next semester \$1,080	My dream job is a Nurse

Benter Anyango

I was born in 1994	My mom Nancy Achieng
I have 7 siblings	HEART Centre: Kibera
My annual fees is \$ 624	My dream: Hotelier

Doris Morang'a

I was born in 2000	My mom Perister Bochaberi
I have 2 siblings	HEART Centre: Gucha
My annual fees is \$600	My dream job Doctor
